The Charter Roll

SHEPHERD OF THE VALLEY LUTHERAN CHURCH

Langley, British Columbia

Believing in the Lord Jesus Christ as our Saviour, and desiring to come together for nurture and witness as a Family of God, we, whose signatures appear on this document, do hereby petition the Western Canada Synod and the Division for Missions in North America to permit us to organize ourselves into a congregation of the Lutheran Church in America.

We promise to prepare faithfully and diligently for responsible membership, and on the day of organization to become members of the congregation.

In gratitude to God for His many benefits, spiritual and temporal, we pledge ourselves to support with all the abilities at our command the work and witness of the Church in this community and throughout the world.

We pray for growth under God that here and everywhere His Kingdom may come and His Will be done.
