April 2026

Dear congregation member,

Every year during April, the Division for Stewardship distributes the annual **Stewardship Service Response Forms** to members of the congregation. This form provides an opportunity for members to consider how they might serve the church.

We ask that you take a few moments to fill out the form. There are three ways to complete the form this year:

- 1) Fillable pdf to return by email.
- 2) Regular pdf to print and/or return by email.
- 3) Paper form to fill out by hand.

Completed forms can be placed in the designated basket on the narthex table, or you may place your form in the office secretary's mailbox.

There are many ways that you can assist; each of us has special talents and learned skills that will be an asset to Shepherd of the Valley. Some of the items require a few hours, while other commitments may mean spending several hours each week or month engaged in meaningful service. So please consider what gifts and talents God has given you to help with the needs of our church, and let God guide you to where you can assist. Every contribution is meaningful.

Individual completed forms are preferred, however if you complete one form for your entire family, please indicate which family member is specifically volunteering for the items selected.

If you are unable to help out this year, we still ask that you complete a form with your name and check the box at the bottom of the form indicating you are unable to help this year. We will then know that you were aware of the form and had an opportunity to respond. We want to ensure that everyone has the opportunity to serve.

All the divisions would like to thank you in advance for your time, your talents, and your treasures, and thanks to all the volunteers who help in various ways to make SVLC what it is.

# Service Response Form - April 2026

Shepherd of the Valley is a multi-faceted organization. Its success in spreading the gospel within and without depends upon each one of us extending our creativity. Please indicate where your time and talents can be counted on.

We ask that everyone fill in the information in this box and hand in this form, whether you are volunteering or not.  
The Division for Stewardship will conduct a follow-up so as not to omit anyone.
