As Lutherans we believe that in Holy Communion Jesus gives his own body and blood, with the bread and wine, for us to eat and drink. The words "For you" require simply a believing heart. Individual glasses contain either wine (red) or grape juice (white or clear); the chalice serves only wine. Please indicate which you would prefer to the appropriate server. Baptized children are welcome to commune and will be served if they reach out their hand(s) to receive the elements. After communion place individual glasses in the trays along the outside walls of the sanctuary. This Holy Sacrament is only administered by ordained ministers; services lead by lay leaders will not include Holy Communion.
